

SPEAK WITH AUTHORITY

A Public Speaking Program for
Entrepreneurs, Team Leaders,
and Senior Professionals.

Program by:
Sumiit Tripathy
Public Speaking Coach

SPEAK
WITH
AUTHORITY

INTRODUCTION

This isn't just another public speaking program.

It's a transformational experience for entrepreneurs, team leaders, and senior professionals ready to stop shrinking themselves in important conversations.

If you have ever walked away from a pitch, a meeting, or a moment thinking, "I could have said that better..." That ends now.

Speak with Authority is built to take you from second-guessing yourself to becoming the person everyone listens to when you speak, not because you are loud, but because your energy and presence is undeniable.

MEET YOUR COACH

Hi, I am Sumiit Tripathy, and I help entrepreneurs and professionals speak with confidence and clarity.

Speak with Authority is built on real-world tools that help you show up, stand out, and speak so people listen.

What this Program includes:

8 Live Sessions (1 hr each)

These are high-performance, interactive coaching sessions where you will build presence, persuasion, and power layer by layer.

12 Communication Resources

This includes workbooks, templates, and frameworks designed to be actionable, not just inspirational.

Lifetime Access to 'The Charisma Club'

An exclusive community of high-achievers, leaders, and founders who are walking the same growth path as you.

Weekly Video Reviews

Your real-world speaking moments will be reviewed with practical, insights that make improvement inevitable.

Public Speaking Fastrack Video Course

Revisit lessons anytime, anywhere, at your own pace.

What the journey looks like:

Week 1:

Build Unshakable Confidence

This week is all about getting to the root of why you don't feel confident and flipping that script. You will build a solid mindset that actually helps you stay calm and clear during high-pressure situations.

Week 2:

Train Your Voice to Work for You

We will work on vocal exercises that are simple but powerful. You will learn how to sound more authoritative, more energetic, and more in control just by changing a few habits.

Week 3:

Learn How to Hold Attention

You will get really good at grabbing attention and keeping it. We will go deep into hooks, storytelling, and how to ask the kind of questions that make your audience curious.

Week 4:

Make Presentations That Land

This week, you will learn how to create presentations that don't just look good but also deliver your message clearly. The goal is to make your ideas easy to understand and hard to forget.

Week 5:

Design Slides Without Overthinking

No more struggling with PPTs. I will give you a simple way to create clean, effective slides that support your message and make an impact.

Week 6:

Mastering the Persuasion Game

Whether you are pitching an idea or negotiating, this week will help you do it with confidence. You will learn how to sound persuasive without being pushy.

Week 7:

Step into Leadership That Feels Real

You will stop just talking about leadership and actually start embodying it. This week is all about how to be the kind of leader people trust and want to follow.

Week 8:

Deliver the Speech That Feels Like You

Instead of memorising lines, you will learn how to speak from emotion. At the end of the week, you will deliver your final speech, and I will give you direct feedback to help you take it to the next level.

The Transformation You Can Expect After 8 Weeks:

- ✓ Command high-stakes meetings and board presentations with confidence.
- ✓ Clearly communicate your vision to your team, clients, and stakeholders.
- ✓ Build credibility as a leader whose words influence decisions.
- ✓ Handle tough questions during high-pressure situations with professionalism.
- ✓ Reduce filler words and correct nervous habits that undermine your authority.
- ✓ Step onto any stage and deliver a message that moves people to take action.

Happy Clients:

Ashiq Sulaiman

Owner of Primal Fitness

"I met Sumiit through a friend of mine, I had the privilege of learning public speaking from him, and it was an incredible experience. He was deeply invested in each session, with a keen eye for identifying areas of improvement. What stood out the most was his patience and politeness in teaching, which made the learning process smooth and enjoyable. If you're looking to improve your public speaking skills, Sumiit Tripathy is the coach you need!"

Shanu Bansal

Business Development Associate

"I took your public speaking program and I can proudly say it is one of the best decision of my life. Before enrolling in your course I used to stammer while speaking with people but the moment when I completed that course my confidence was on another level and I noticed a drastic change in my public speaking. Now I got the chance to lead the team. Your guidance not only sharpened my public speaking but also elevated my ability to inspire and guide others."

Ujval Murthy

Process Associate at Accenture

"I had a close chance to work and learn with him as he provided a public speaking session where I realized how important this voice was for me. Finally, a big thanks to him for his challenges, time, and consideration in teaching me all of this it was a great experience and I personally will recommend him in an organization he will be a golden asset."

Jayanth Gopal Janjanam

Business Owner

"I had the pleasure of working with Sumiit to improve my public speaking skills and it was a game changer. He quickly identified my areas for improvement and developed a personalized plan that perfectly suited my needs. What truly sets Sumiit apart is his ability to connect and create a supportive environment where growth feels natural.

I can see a drastic change in my speaking skills his insights are very helpful Thanks to his personalized approach, I've seen significant improvement in my public speaking abilities, and now I feel more confident.

He gives tasks daily, reviews them, and gives feedback which will help a lot so that we can know where we have to improve.

In this journey, I learned to use hooks, storytelling, body language and gestures, preparation of speech, pitching and negotiations, and presentation with visual aid.

If you're looking to elevate your public speaking, I will definitely recommend Sumiit. His expertise, patience, and commitment will help a lot."

Pavithra S Kumar

Advocate

"I had the chance to work with Sumiit to improve my public speaking skills, and it was truly a great experience. His patience and support helped me overcome my challenges in public speaking and gained my confidence. He assisted me in creating presentations, refining body language, and voice modulations during speeches, and memorizing the speech better by using the questions and answer method."

The '**Speak with Authority**' Program is the right program for you if you are looking for coaching that is easy to follow, filled with practical exercises and is jargon-free.

My job as your coach is to take your original ideas and help you communicate them with authority, clarity and confidence. I want you to trust yourself and the journey, so that you can become the speaker that people look upto.

If you are serious about levelling up your presence, now is the time.
